

The Mustard Seed Advent

The Rules of the Pious, Anti-Christian Lawmakers: Part Three

THE BATTLE FOR SOULS

19-Sep-07

Dear Nancy,

In your below E-mail, you perfectly illustrate why the Bible ---not our supernatural or natural feelings--- is the only measure of righteousness. You said the following:

“I have a friend who attended one of your meetings and shared with me that when my friend approached you the strangest feeling came over them and a part of this persons body began to shake. This person shared that it was as if a demon was trying to enter their body and it is a feeling/ experience they never want to experience again. Thank God for the power of prayer that saved this friend from you. Nanci”---Nanci Roberts E-mail, 17-Sep-07, 3:50PM

Johnatha in affirmation to your above E-mail also wrote the following:

“Nanci, Funny you should tell us what your friend said to you concerning one of Demon's meeting, or should I say Derek's meeting, it's all the same anyway, but I myself had attended one of his meetings too! and the whole group who was mostly his seem unreal. Most christians have a sense of joy in their smiles but his whole group seem to express the exact same level non loving smiles that sent up the red flag for me. I never return that afternoon for the last half of his meeting. Thanks for the confirmation, I thought I was the only one.” —Johnathan E-mail, 17-Sep-07, 10:26PM

I firmly believe that many who reject the truth, especially, Branch Davidians, are supernaturally connected to the underworld. One of their leaders actually advanced his belief in the biblically-discredited and false doctrine of the female holy spirit by claiming that God directly spoke it to him affirming that doctrine. Therefore, it is no doubt in my mind that your friend, especially if they are a rejecter of the Gospel as are you, could have had such a supernatural experience. Satan is at war against the Lord's mustard seed. The Devil is ferocious in his efforts to turn away any from a closer walk with Christ. And all who, like you, esteem other channels of doctrine over the Bible, he will definitely claim as his own. When any of his disciples, like Jonathan, Jeanie, Michael, and you decide to give careful and serious attention to the Lord's mustard seed Kingdom movement, you can rightfully believe that they will experience a fight. When Jesus began His ministry, there were likewise people in the audience who had similar experiences as your friend. In fact, as recorded in *Luke four*, they interrupted the Lord's study in an effort to diminish His influence. Like your friend, they too were unsuccessful. Nevertheless, the saints should expect nothing less today as Satan will do all in his power to keep people like you and your friend on the front seats of his hell-bound soul train. He tells his angels to destroy their trust in the Bible, fully knowing that God will not allow His word to be slighted. EGW quotes him as follows:

“As the people of God approach the perils of the last days, Satan holds earnest consultation with his angels as to the most successful plan of overthrowing their faith. He sees that the popular churches are already lulled to sleep by his deceptive power. By pleasing sophistry and lying wonders he can continue to hold them under his control. Therefore he directs his angels to lay their snares especially for those who are looking for the SECOND ADVENT OF CHRIST and endeavoring to keep all the commandments of God.” —EGW, Testimony to Ministers, P. 472:1, Caps and underline added

The Mustard Seed Advent

EGW continues to quote Satan's plans to overthrow those who are preparing for the day of the Lord, the invisible return of Christ. Those *rod*-wielding wise men are his greatest enemies. For such men, well educated about Christ and His **invisible** return as well as Jesus and His **visible** return, keep the Commandments of God as conveyed by the *Testimony of Jesus*. They know the Slaughter-escape strategy revealed in the *Rod* and in *Rev 12*. Just before EGW issues that famous and most appropriate quote about the coming of Elijah ---it is on the very same page--- she also, as a prelude, unfolds the following statement about Satan's end-game plans:

“...I will have upon the ground, as my agents, men holding false doctrines mingled with just enough truth to deceive souls. I will also have unbelieving ones present who will express doubts in regard to the Lord's messages of warning to His church. Should the people read and believe these admonitions, we could have little hope of overcoming them. But if we can divert their attention from these warnings, they will remain ignorant of our power and cunning, and we shall secure them in our ranks at last. GOD WILL NOT PERMIT HIS WORDS TO BE SLIGHTED WITH IMPUNITY. If we can keep souls deceived for a time, God's mercy will be withdrawn, and He will give them up to our full control.” —EGW, *Testimony to Ministers*, P. 475:1

Therefore, I urge all in Davidia to stop slighting the Word of God. To slight means to diminish a thing in value or to exalt other documents above it. Therefore, Nanci stop this crime today: stop elevating your personal views of righteousness, the spooky experiences of others, the SOP, and the *Rod* above the Bible: stop slighting the Word of God. If you continue to do so, Satan is guaranteed to have full sway in your life.

As for Jonathan, knowing his supernatural zeal to resist the Bible and his glaringly obvious hatred for the Lord, I am sure he is in the control of the enemy just as his testimony implies ---he uses non-scriptural logic for his decisions about Christ. However, I do find it quite curious that after he left the first meeting in Suitland MD, the meeting in which he said that he attended, he communicated to me, weeks later, his intentions to come to the next one in Portsmouth VA. Now, he speaks boldly and openly against the Bible in favor of other channels of light. He must be one of Satan's greatest, meeting disrupting, imps.

I hope that you will avoid the same trap that Jonathan fell into.

Sincerely,

Derek
