Comforter's Cozy Conveyance

Brother Yosef,

You wrote the following letter to me expressing the rocky and rough road of travel which you and your wife have experienced. Evidently, your journey or conveyance to the Kingdom, at least so far, has been jolting and uncomfortable. I hope that you do not mind if I edit it for ease of understanding as I want the brethren to share in our communion. You wrote the following:

"Bro. Derek, I would like to explain ourselves thoroughly. Realize, we had no friends —only enemies— in the House of David [HOD] even when they needed us. And many times everyone there turned against us. And 'Solomon' aka 'Elijah' always supported those, his associates (Omarsha Christian, Arnold Williams, his mother Mrs. Musso, Robert Collins etc.) who wickedly opposed us in the HOD. We tried to blend in because of the message. Yet, from 'Bro. Solomon' on down they all used Mafia/hateful tactics against us since our days with him in Brooklyn. And in Israel, their hatred of us multiplied. Even when we showed the House of David love/support, it meant nothing to them."

"That is why 'Bro. Solomon' was thrown out of Israel. One day my wife Hadassah was crying hysterically. She said, 'let the Earth open its mouth and swallow them all up.' The following day, Israel IDF arrested all of them including, 'Omarsha Christian/her two boys (Jonah & Micah), Raymond/Heather Bennett and their three children (David, Michael, Nicole), David Campbell Ben-David, Theda/Mesha Williams (whose father is Arnold Williams and who we believe lives in Ellenville, New York now) were thrown in a jail in Ramle..."

"It was in Israeli news media and worldwide news which included Solomon's face was shown fullscreen on TV" http://www.cesnur.org/testi/BrDavid_001.htm

"Note: The only good one in the group that was arrested is Micah Christian. He was a minor during that time and had to leave with his mom, Omarsha Christian. We really miss him. He saved Quachell's life in Israel, when Heather Bennett, threw her out of her house, in a rainstorm without an umbrella and a raincoat. We were not home at the time..."

"Realize, when they were arrested, Solomon had already previously gone to Washington DC 'to preach' to the Masons at the Washington Monument aka Oblisk. A man name Clarence, a Freemason who worked with the U.S. Secret Service (One of the President's men) told Solomon, 'you can give your message to the Masons.' So, Solomon, an egotist, fell for that and left with Clarence to preach to the Freemasons. We told Solomon, 'do not go.' He hated us too much to listen to any of our warnings. And Israel banned him from reentry still today; in spite of this, he wants to return here, yet he is still wicked." —Yosef Harrell, Israel, Wednesday, November 10, 2010 10:18 AM EST; Italicized words or phrases added for clarity; Parentheses belong.

I share your frustrations with Davidian groups and their leaders. This is part of the focus of my message. They all have been shuffled further and further away from the Rod because they were never converted to Christ, and they have no Bible foundation. Carefully review what EGW prophesied of them:

"At this time I prized the Christian's hope. The scene before me brought vividly to my mind the day of the Lord's fierce anger, when the storm of His wrath will come upon the poor sinner. Then there will be bitter cries and tears, confession of sin, and pleading for mercy, when it will be too late. 'Because I have called, and ye refused; I have stretched out My hand, and no man regarded; but ye have set at nought all My counsel, and would none of My reproof: I also will laugh at your calamity; I will mock when your fear cometh.'" —EGW, Testimonies for the Church, Vol 1, 81

Thus I must caution you, please do not mistake me for Bro. Solomon, Solomon Ben David, their version of the House of David, etc. I do not know Omarsha Christian, Arnold Williams, Robert Collins, or any of the others that you mentioned. I represent the *Mustard Seed Advent*, and I do not

prescribe to “mafia” tactics, only Christian tactics. This work is genuinely the House of David/House of Jacob, and it proves as much from the highest authority, the Scriptures. One day, hopefully before it is too late, you and your wife will respect this, a Bible-based movement.

Your group has had trouble there in Israel because you are dealing with a people, as stated before, who have spent 2000 years seeking to oppose Christ. Do not let them forge your theology, whether it be the Lord’s name; the value of the Hebrew tongue; His diet; His people, Israel; His end-time schedule of events, etc. In fact, to show to you how different this work is, unless you recognize Christ and honor Him, distinguish His name from Jesus and Father I cannot accept your help, your tithe, or your support. I work only to please Him as He, in like fashion, seeks to please the Father. Thus I exonerate the standards which He has promoted. He is my “Father, my God, the Rock of my salvation” (see Ps 89).

Thank you for the news clippings pertaining to the Davidian brethren who have migrated to Israel. I was never informed about that trouble in Davidia nor about their deportation from Israel. Your friend who was duped into preaching to the Free Masons fell into that trap because he is ignorant as to the end-time events. True, a Mason can renounce his former associations and embrace Christ causing him to reject Lucifer, but the message does not call for them, as a group, to be the target of our evangelism. Your counsel to Solomon was wise. Yet, if a Mason seeks my work and embraces it, then he is welcomed to participate; however, I am not commissioned to extend a special ministry for their benefit.

You also wrote the following in part one of your latest communication:

“We must use caution this time, Derek before jumping on your bandwagon. We were already hurt previously by another ‘Elijah’. And he too wrote, books, books, books yet, and still without love/unconverted. We just want to make sure that you are sincere and that you received your messages from GOD. Yes, we going to ask you questions to avoid being trapped again.”

“Now you claim to be Immanuel too? Explain, how this can be since we were taught in the SDA, JESUS is IMMANUEL which is translated from Hebrew to English is GOD WITH US.”—

You say that your former Masonic antagonist, Elijah wrote many books, and with that comment, much is now coming back in my memory. I specifically recall my wife, Vinnette, several years back, perhaps eight years ago, when we had an active-telephone dialog with the Hebrew Israelites, made an evangelical call to that group in Brooklyn. I even remember some confusion as to whether they were based in New York or Israel. The group that I recall, unlike the other Hebrew Israelites, were Davidians. I think that they received my book, *Beyond the Rivers of Ethiopia*, and they sent to me theirs. It comprised of several pamphlets. I must modestly say, my work then—thus also now—was much more extensive and thorough; it cannot be compared to their cursory and brief stab at strong meat. This may distress you and make you even more reticent to receive my literature, an actual book. My only counsel is that you prayerfully put forth the effort, and you will be blessed. Being a strenuous chew, my book would also greatly dazzle the Israeli censurers whom you fear will seize it. Remember, no matter how smart, they suffer from 2000 years of Christological ignorance making it, for even the most genius of them, a major project to decipher. In spite of this you, with your heightened level of doctrine, should not fear. Also, you express confusion about the identity of Immanuel as revealed in the MSA. I wrote *Confederacy Trap*, a 243 page book—just released in June 2010—explaining the identity of Immanuel, and it is impossible for any to understand about him and his connection to Christ/Jesus until they read it from page one to page 243 continuously and consecutively. I will not rewrite it to answer questions which take much detail and commentary since the explanations are in the book. This may seem “unloving” and unfriendly, but it is Elijah’s message, and he cannot be sent to save Jerusalem if he squanders the very little time that he has left for Davidia by continuously rewriting books over and over again. On a side note, I do find it to be ironic that you—being a former student under Solomon Ben David the so called “House of David”—have never been taught about Immanuel distinguishing him from the

SDA position which asserts that Immanuel is Jesus. If you read *Isa seven*, and if you read my explanations of it in my recent book, *Confederacy Trap*, you will see that one theme resonates very loudly; that is, Immanuel was to be a sign—not to the entirety of Christendom, nor to Adventism as a whole, but— exclusively unto the House of David. Thus anyone who teaches that they are the antitypical son of David, places themselves at the very helm of that house. Consequently, they most definitely should have a specific doctrinal teaching, separate and distinct from all others, a teaching which explains that sign. Evidently and quite laughably, Solomon Ben David, the so called master of the House of David, does not unfold the sign; he resultantly and absolutely cannot be the promised son of David for that son's mission would be to reveal the sign. Not being the son of David, he consequently cannot be Elijah either for reasons that I will allow you to uncover in the book. Enough said on this issue: You must immediately overcome your fears; forget about offending the Israeli secret police; fear God and order the book. If they cast you out, such could only be the will of God. Resultantly, I will locate a place for you here in Pittsburgh to give you further studies should you so desire.

Finally, you say that you have been hurt before and this causes you to be cautious about jumping onto my band wagon. In this you show wisdom as jumping onto a moving vehicle can be quite hazardous. Do not, I repeat, do not jump on this band wagon; instead, ask the Comforter to therein gently nestle you. In this way you are guaranteed to “not get hurt”. When He answers you, expect that He will do so with the Bible; it is that cloud which covers this advancing work, and it will peaceably place you on board with very cozy accommodations. When you ask, do not expect Him to disrespect the Lord for He holds Christ's word in very High esteem. In fact, you already have His answer: Order and read the book!

Sincerely

Derek.
